

CAROUSEL ADULT PROGRAM

What happened last month?

May 2015

Last month Carousel celebrated Autism Awareness month with a special “Artism” exhibition with art work produced by consumers. Art that was created was put up for display and listed for sale in a silent auction. Proceeds went to the art department to fund future projects with consumers. This month consumers were able to display their culinary expertise by preparing delicious treats such as crepes, pizza bagels and spaghetti. Consumers enjoyed the beautiful spring weather at Westchester

and Aviation Park. They also enjoyed a trip to the Westfield Mall.

If you would like to find out more about what the adult program is up to, check out Carousel’s Facebook page! Carousel will be observing Memorial Day and the program will be closed on Monday 25, 2015.
