Group Spotlight

Every month one of the seven groups at the Adult Program will be featured in the newsletter. This month the spotlight shines on the Green Group.

Mother's Day Celebration

On Thursday May 11, 2017 at 10:00am, the consumers will host a Mother's Day celebration to celebrate the special women in their lives. Light Refreshments will be served. The clients are looking forward to hosting this special celebration!

Group Spotlight

This month the spotlight shines on the Green Group. The Green group consists of 7 Consumers some of whom come on a part time basis including David, Kevin, Scott, Patricia, Shirley, Kiersten, and Mia. The Green Group has 2 staff including Jerry and Raquel.

During the month of April, the Green group was very busy participating in numerous volunteer opportunities. The Green group volunteered at the Westport Heights Elementary school in the student garden, Westside Center for Independent Living (WCIL), and Petco. The consumers volunteered at these volunteer opportunities once a week. At Westport Heights Elementary School, the consumers harvested lemons and peppers in the student garden. Also, the consumers helped by watering and cleaning the garden.

At the Westside Center for Independent Living (WCIL), the consumers helped by cleaning and maintaining the facility. The consumers helped by cleaning the conference room, stocking more coffee and creamer in the pantry, and shredding paper in the facility's office. Lastly, the consumers volunteered at Petco. At Petco, the consumers helped the employees stock the shelves, cleaned the areas where the animals live, and many more tasks. These wonderful volunteer opportunities allow the consumers to learn about the work environment and how to complete certain jobs and tasks. Also, these volunteer opportunities give the consumers a sense of independence. When the Green Group was not volunteering, they were participating in activities such as Car Wash and Laundromat.

We had a wonderful and busy April and looking forward to what May will bring!!!
