

COVID-19 SAFETY PLAN

Guidelines Prior to Returning On-Campus:

- Students, 16 years old and older, need to have a Covid-19 vaccine, 2 doses, as per recommendation of CDD (Center for Disease Control). Proof of vaccine along with negative results must be submitted.
- All Carousel staff need to have 2 doses of Covid-19 vaccines. Proof of vaccines and negative results must be submitted.
- A Health Declaration form must be answered and signed by parents and staff.

Face Coverings:

- Students and staff are required to wear face coverings, masks and /or face shields, while in transit in the school vans.
- Parents / visitor are required to wear face coverings, masks and / or face shields, while on campus, during morning drop off or afternoon pick-up.

Daily Wellness Checks:

- Prior to entering the school van, a temperature check must be performed by a Carousel van aide. Student with a body temperature of above 100.4 Fahrenheit will not be allowed to ride in the school van.
- Staff will conduct a temperature check for students who are dropped off on campus. For a student with a body temperature of above 100.4 F will be prohibited from entering the school campus.
- Body temperature for all students and staff will be checked and recorded every hour throughout the school day.

Sanitation Station:

- Prior to entering the school building, all students and staff need to sanitize at the Sanitation Station. Containers of 70% Isopropyl alcohol, hand sanitizers, masks and face shields will be provided.
- A foot bath will also be available in order to disinfect shoes.

Classroom:

- Each class will have a separate outdoor playtime in the yard.
- Students will not be allowed to visit other classrooms.
- While in the classroom or outside in the yard, students and staff must practice a safe physical distance from one another.

Sick Policy:

- If a student or staff becomes ill with a body temperature of 100.4 F or higher with or without symptoms of dry cough, shortness of breath, stomachache, or diarrhea will immediately be isolated from other students and staff. Parents will be notified for immediate pick-up. Staff who may be ill will be asked to immediately leave the campus.
- Students / staff must be free from the symptoms mentioned above for at least 24 hours. A doctor's note may be required prior to return to school.

Safety Awareness:

- Students/staff who may have been exposed to someone with Covid-19 should notify Carousel Management immediately. In order to prevent the possible spread of the virus, students / staff will be quarantined for 14 days. Health and safety protocols will be followed.
