Dear County and District Superintendents, Direct Funded Charter School Administrators, and Nonpublic Nonsectarian School Administrators:

2022–23 SCHOOL ACCOUNTABILITY REPORT CARD DATA

The California Department of Education (CDE) is pleased to announce that the remaining CDE data elements (i.e., Tables 15 [2022–23 data], 16, 17, 18 [2022–23 data], 19, 21, 22, 25 [2022–23 data], 26, 27, 28 [2022–23 data], 29, 33, 36, 37, 38, and 42) are available in the public school electronic 2022–23 School Accountability Report Card (SARC) template, and the "Save" button in these electronic SARC tables are re-enabled. All corresponding downloadable data files will be available by next week on the SARC web page at https://www.cde.ca.gov/ta/ac/sa/.

In accordance with California *Education Code* (*EC*) sections 35256 and 35258, the SARC must be publicly posted annually on or before February 1. Access to the SARC Web Application logon web page is available for authorized users through the myCDEconnect web portal at https://mycdeconnect.org/login.

The CDE pre-populates data within the SARC based on data collected from schools/local educational agencies (LEAs). If any pre-populated data does not accurately reflect district and/or school data, LEAs/schools should correct the data as part of preparing and publishing their SARCs. While the CDE provides data where available, the schools/LEAs are ultimately responsible for the completion of their entire SARCs and for the accuracy of all SARC data made available to the public. Please note, active nonpublic, nonsectarian schools (NPS) are not mandated to provide the CDE with data during the school year; therefore, the CDE does not have data available to pre-populate a portion of their SARCs. The remaining portion, where data is available, is populated in the district and state data tables/cells.

For questions regarding the SARC Web Application, please contact the SARC Team by email at sarc@cde.ca.gov.

Sincerely,

/s/

Cindy Kazanis, Director
Analysis, Measurement, and Accountability Reporting Division
