HAPPY NEW YEAR!

We wish you all a Happy New Year! May the New Year bring you continued good health and happiness.

DECEMBER RECAP

We surpassed yet another year that was 2025! The year culminated with wonderful holiday activities and a successful winter show! We thank all the teachers and staff for doing a wonderful job of putting the show together. The children were amazing! They worked so hard to perform beautifully for everyone.

The entire Carousel Administration would also like to thank you, our families, for your continued support and cooperation. Thank you!

MARTIN LUTHER KING'S DAY

This month, we will be learning about the life and great accomplishments of Dr. Martin Luther King. Please be reminded that Carousel Preschool will be closed on Monday, January 19th in observance of Dr. King's birthday.

CATERPILLAR 1 CLASS

Dear Parents,

We wish you a Happy New Year! As the New Year starts, we look forward for more learning and good times together as the little ones reach their individual milestones.

We would also like to give a big warm welcome to our new friends who are joining our Caterpillar 1 class this month!

Ms. Shirley, Ms. Nancy & Ms. Flor

CATERPILLAR 2 CLASS

Dear Parents,

Happy New Year! We hope everyone had a wonderful break together with family and friends. Thank you so much for your thoughtfulness during the holiday season and most especially for your cooperation in making our winter show a memorable one. This month, we will touch on letter E and identify some objects that start with it, number 5, the shape diamond, and color blue. We will also talk about the weather and seasons of the year.

It's New Year, new beginning, new friends and new learning! We warmly welcome Mia, Carter, Dean, Roselyn & Ilios to Caterpillar 2 class!

Ms. Antonia, Ms. Shirley, Ms. Rebecca & Ms. Roxy

ROLLIE POLLIE CLASS

Dear Parents,

We wish you a Happy New Year! Thank you for attending our winter show last month. The children had an amazing time showing off their "Soda Pop" dance moves. We had a tremendous end of the year holiday party as well. We thank you for all the thoughtful gifts and wishes that we received. This month is about the weather, the children will have fun learning the weather song and types of weather. We will also continue to focus on the following:

Theme: Weather

BUMBLEBEE CLASS

Dear Parents,

Happy New Year! We welcome 2026 with a cheer.

Our first week of January started with hands-on activity in which students used their creativity and fine motor skills to decorate their own gingerbread houses. We truly appreciate all our parents for bringing in fun activities and for practicing our students with their name-tracing at home. Teamwork is key to getting our students TK-ready and excited about learning. This month, we will encourage our students to identify letters and sounds in signs, such as "exit" and "stop" signs, to expand their vocabulary. Dissecting fruit and using our senses to talk about the taste and texture of each fruit is what we also look forward to. Lastly, we will end this month by hearing a story about a funny snowman named Sneezy and then work together to discuss the story's sequence. Our goal is to help our students become one step closer to achieving their developmental milestones.

"Every child is a different kind of flower, and all together, make this world a beautiful garden."

Ms. Eliana & Ms. Goldy
