ST. PATRICK'S DAY

On **Tuesday, March 17**, we will be celebrating St. Patrick's Day with fun games and activities. Please have your child dress in green.

CESAR CHAVEZ HOLIDAY

On **Monday, March 30**, Carousel Preschool will be closed in observance of **Cesar Chavez Holiday**.

STUDENT OF THE MONTH

The recipients of the Student of the Month awards for February were:

- CATERPILLAR – **BOWEN MEINHOLD**
ALEXIS BOLOUS
- ROLLIE POLLIE – **DOMINIC FLEDDERJOHN**
- DRAGONFLY – **KAMILA YOUNG**
- BUMBLEBEE – **NIKOS VITTAS ANDRADE**
JONAH FARIA

CONGRATULATIONS AND KEEP UP THE GOOD WORK!

Please keep an eye out for any signs of infections in your child that may spread to other children and staff. In the event that your child has a contagious illness, we ask that you keep them at home to obtain the rest and care needed to regain their good health.

- Jonah F. - 03 / 03
- Sakura I. - 03 / 04
- Greyson B. - 03 / 06
- Pierce W. - 03 / 07
- Kamila Y. - 03 / 07
- Grayson L. - 03 / 12
- Benjamin N. - 03 / 21
- Lillia C. - 03 / 26

happy birthday

CATERPILLAR 1 CLASS

Dear Parents,

Spring is just around the corner and like the flowers that bloom, the babies will continue to blossom as well and reach new milestones. As time has passed, we have seen the children grow and create friendships with each other.

We are very excited to welcome new friends to our Caterpillar 1 class!

Ms. Shirley, Ms. Nancy & Ms. Flor

CATERPILLAR 2 CLASS

Dear Parents,

We had a great time last February exchanging cards and treats. Thank you for helping your child prepare them. This month, Liam and Georgia are joining our class – welcome! We are excited for all the activities this spring as we continue to learn and enjoy play at the same time. To start the month, we will celebrate “Dr. Seuss Week”. It will be a fun week filled with dress-up days and storytelling. We will also celebrate St. Patrick’s Day, so get ready with your green outfit! In class, we will be focusing on the letter G, the oval shape, the number 7, the color green and learning all about zoo and forest animals.

Student of the Month

We are so proud of **Bowen Meinhold** and **Alexis Bolous** for being our Student of the Month!

Bowen has shown great leadership skills by initiating play, participating in circle time, and being obedient to his teachers. He enjoys playing with cars, building blocks, and the roller bead maze. Outdoor play is also one of his favorites, especially making sand angels and filling buckets in the sandbox. Bowen can also identify shapes and objects on our flashcards, knows his phonics, and can count from 1–10. His favorite book is No, David! Way to go, Bowen!

Alexis has shown great interest in learning and loves coming to school every day. She is a very active participant during circle time. She knows her phonics and body parts, can count from 1–10, and can identify objects such as food, animals, and clothing. She loves to sing and dance and knows all our circle time songs. Her favorites are the ABCs, Animal Sounds, and the Mr. Sun song. She is sweet and friendly and always gives her teachers and friends a hug. Another wonderful quality Alexis shows is patience - she always waits for her turn. Congratulations, Alexis!

Ms. Antonia, Ms. Shirley, Ms. Rebecca & Ms. Roxy

ROLLIE POLLIE CLASS

Dear Parents,

Happy March! We are excited to welcome a new month filled with fun learning activities, creativity, and outdoor play. As the weather begins to change, we look forward to exploring new themes and celebrating the start of spring! We will be celebrating Dr. Seuss' Birthday during the first week of March, followed by St. Patrick's Day. We would also like to give a warm welcome to Sakura, our newest friend in class! We are so happy to have her join us. At the same time, we say goodbye to Aida, who will be moving up to the Dragonflies class. We are proud of her and wish her the very best in her new classroom.

What We're Learning

Theme: Animals – Zoo and Forest

Holidays: St. Patrick's Day

Letters: R and S

Numbers: 13 and 14

Shape: Oval

Color: Green

Body Part: Stomach

Clothing: Shirt / T-shirt

Self-Help Skills: Activities of Daily Living Board (zipper, lacing, and buttoning practice)

Student of the Month

We are proud to announce **Dominic Fledderjohn** as our Student of the Month in February! Dominic is always happy to come to school and is such an enthusiastic learner who brings so much joy to our classroom! He actively engages during center time and loves participating in activities. Dominic can sort and match by colors and shapes, and he can proudly count from 1 to 15. His growing independence helps him express his wants and needs confidently, and we are so proud that he is potty-trained! Most of all, Dominic is a wonderful helper — from cleaning up toys to helping his teachers. We are so proud of you, Dominic! Keep shining and smiling every day! Congratulations!

Ms. Fildres & Ms. Laura

DRAGONFLY CLASS

Dear Parents,

We thank all the families for sending treats and cards last Valentine's Day. That made the day extra special for the kids. They were very happy exchanging their cards with their friends. Spring is here! It is such a colorful season. We see flowers bloom and birds sing in the sky. The children will have the opportunity to connect with nature by learning how trees, plants and flowers grow. We love spring! There will be many activities coming up this month including Dr. Seuss week and St. Patrick's Day. This month, we will also focus on the following:

Letters: R and S

Numbers: 13 and 14

Shape: Oval

Color: Green

Body parts: Tummy

Holiday: St. Patrick's Day

Theme: Animals: Zoo and Forest

Student of the Month

We would like to congratulate **Kamila Young** for being our February Student of the Month! Kamila is a smart student and has excellent communication skills. She actively participates in class and completes all her work neatly. She also conveys her thoughts clearly, especially when she comforts her friends. She loves to check on them and tell them comforting words to make them feel better. She creates a positive and collaborative learning environment through her clear expressions, active listening and interactions. We are very proud of you Kamila! Keep up the great work.

Ms. Eva, Ms. Jessica & Ms. Letty

BUMBLEBEE CLASS

Dear Parents,

March is here, and we're feeling lucky. To start the month, we will bring reading and literature into our classroom by participating in NEA's Reading Across America. Students will celebrate Dr. Seuss by wearing silly and wacky outfits. We appreciate your constant support during these activities. Our students also look forward to using their creativity to decorate our in-class leprechaun traps. As our students usually say, it's time to make everything green as we get ready for St. Patrick's Day. Our goal this month is to make learning engaging and fun.

"You're never too old, too wacky, too wild, to pick up a book and read to a child."-Dr. Seuss

Student of the Month

We are happy to announce **Nikos Vittas Andrade** as our student of the month for February! Nikos is a bright and caring student. When he comes to school, he tends to be a bit shy but quickly warms up to say hi to all his peers. Even though Nikos is the youngest in our class, he's been a perfect addition to our bumblebee family. It's admirable to see how well he plays with his peers and how kind he is to others. When he notices one of his peers alone, he goes and asks if they would like to play with him. Nikos can follow three-step directions, such as "clean your shoes," "come inside," and "sit on the rug." We appreciate his great listening skills because we can always count on him to do the right thing. He is truly a joy to have in class. Congratulations Nikos!

We are also thrilled to announce **Jonah Faria** as our student of the month. Jonah is a student who loves learning through songs. When learning the days of the week during his Spanish lesson, he remembers the catchy songs used and repeats them at random times. We have seen his progress and dedication in his academics. For example, when learning to write his name in lowercase letters, he did not become discouraged and continued trying until he was able to do it. Jonah is also very observant and loves identifying the letters on the signs around the school. His favorite activities include completing puzzles and participating in class activities, such as painting and dancing to anything with a fun beat. We are proud of your daily accomplishments and applaud you for giving it your all.

Ms. Eliana & Ms. Goldy
