CINCO DE MAYO

We will celebrate Cinco de Mayo on **Tuesday, May 5**. The children will make all sorts of festive arts & crafts. Each class will have various activities to celebrate the day.

TEACHERS/STAFF APPRECIATION WEEK

Teacher Appreciation Week is a weeklong celebration. This year it will be observed the week of **May 4 - 8**. It's the perfect time to show and express gratitude towards our teachers and staff who work so hard each day to teach and take care of all the children in our center.

MOTHER'S DAY CELEBRATION

Mothers are wonderful treasures in our lives. On **Friday, May 8**, we would like to make them feel extra special by hosting "**Muffins for Mom**". This is to honor all the wonderful women in a child's life.

We are inviting all of you special ladies to drop your child/ren off to school on this day for this simple event.

STUDENT OF THE MONTH

The recipients of the Student of the Month awards for April were:

- CATERPILLAR – **AVERY LUBETSKY**
- ROLLIE POLLIE – **THOMAS DIMALANTA**
- DRAGONFLY – **NORBERTO SEGUNIAL IV**
- BUMBLEBEE – **WYATT LUBETSKY**
- LILLIA CALL**

CONGRATULATIONS AND KEEP UP THE GOOD WORK!

MEMORIAL DAY

Carousel Preschool will be closed **Monday, May 25** in observance of Memorial Day.

Bumblebee	4

CATERPILLAR 1 CLASS

Dear Parents,

The little ones are having fun interacting and spending time with each other. We warmly welcome new friends joining our Caterpillar 1 class this month!

Celebrations in the month of May include Cinco de Mayo and Mother's Day. It will be another fun and memorable month for everyone.

Ms. Shirley, Ms. Nancy & Ms. Flor

CATERPILLAR 2 CLASS

Dear Parents,

We are excited for this month of May because we are celebrating Mother's Day! We want to show our gratitude, love and recognition to the selfless guidance and sacrifices of our dear moms. Hands down to all the amazing Carousel moms! The children were so busy preparing all the surprises for you. Apart from this, we will also celebrate Cinco de Mayo by wearing red, white or green and will play with different musical instruments. During our circle time, we will learn our letter I, number 9, the shape octagon and the color red. We have exciting songs about transportation/vehicles and more arts and crafts related to this month. We would also like to welcome Grayson and Elijah to our class! This month will be a special one for all!

Student of the Month

We are proud to announce our student of the month **Avery Lubetsky**! She always comes to school happy and ready to learn. She actively participates in our circle time and knows all the songs. She also loves stories and dancing. In fact, we call her our "dancing queen". Once the music starts, she expresses her energy and feelings, and her little feet take the lead. Avery follows directions, very good in sharing and cleaning up the toys. She knows the phonics, body parts and can identify objects from the flashcards. Congratulations Avery! We are so proud of you!

Ms. Antonia, Ms. Shirley, Ms. Rebecca & Ms. Roxy

ROLLIE POLLIE CLASS

Dear Parents,
Happy Mother's Day to all mothers! It seems like the months are going fast, May is already here! This month, we will be celebrating Cinco De Mayo and Mother's Day. For Mother's Day, there will be a special "Muffins for Mom" event. The children will be busy doing creative art for this wonderful celebration. Our focus for this month will be the following:

Theme: Transportation
Holidays: Cinco De Mayo, Mother's Day & Memorial Day
Letters: Vv and Ww
Numbers: 17 and 18
Shape: Octagon
Color: Red
Body Parts: Hair and Ears
Clothing: Hat
Self Help: Utensils use

Student of the Month

The Rollie Pollie class would like to congratulate **Thomas Dimalanta** for being the Student of the Month for April! When Thomas first started in our class, he was very quiet and did not talk much. Since then, he has grown so much and now enjoys participating during circle time and center time. He knows his colors and shapes, can count from 1-20, and recognizes most of the letters of the alphabet. He also knows the days of the week, the months of the year, and opposites. We are also very proud that he is now potty trained! Most of all, Thomas is very kind and friendly to everyone. He loves playing with cars with his friends and enjoys spending time with everyone in class. Congratulations, Thomas! We are so proud of you!

Ms. Fildres & Ms. Laura

DRAGONFLY CLASS

Dear Parents,
We had a great Spring & Easter Celebration last month. The Dragonflies had so much fun hunting for eggs and enjoyed all the festivities that day. This May, will be another exciting month. We will honor all our mothers in our family. We will show how much we love, care and how thankful we are to all our moms. In the class, we will discuss about transportation theme in which they are always fascinated by the different modes of transportation. Apart from these, we will also cover the following topics this month:

Theme: Transportation
Letters: V and W
Numbers: 17 and 18
Color: Red
Shape: Octagon
Body parts: Hair and Ears
Clothing: Hat
Holidays: Cinco de Mayo, Mother's Day and Memorial Day

Student of the Month

We would like to recognize **Norberto "Chicko" Segunial IV** for being our student of the month! Chicko is smart, sweet and silly. He demonstrates strong academic skills and high level of confidence. He always shows interest in class activities and actively participates during circle time. At a very young age, he has excellent reading skills and can solve simple math equations. We are so impressed by how he recognizes and reads just about every word that he sees around! We are so proud of you, Chicko! Congratulations and keep up the good work.

Ms. Eva, Ms. Jessica and Ms. Letty

BUMBLEBEE CLASS

Dear Parents,

A huge thank you to all the moms who came to our Mother's Day event! We poured our hearts into crafting gifts and getting the classroom ready. Since we didn't finish everything, we'll continue the excitement by making everything butterfly-themed for the rest of May. In class, we'll read "The Hungry Caterpillar" and learn new words like "nibble" and "cocoon." Our goal is to help students become curious about words and practice using transitional words when answering open-ended questions about the sequence of the story. Along with our fun spring activities, we will be practicing our best dance moves for our moving-up ceremony. We have a busy month ahead and look forward to a successful and enjoyable experience.

"The Very Hungry Caterpillar story is about hope. You, like the little caterpillar, will grow up, unfold your wings, and fly off into the future." -Eric Carle.

Student of the Month

We are pleased to announce **Lillia Call** as our student of the month for April. Lillia has made great progress. She is always kind and caring to her classmates. For instance, she gives her friends hugs at the end of the day and offers a helping hand to anyone who needs it. Lillia enjoys school, especially playing with friends outside, dancing, and painting. She loves to run and invent creative ways to save the day when she pretends to be a superhero. In class, she shows her creativity through drawing. For example, when drawing a circle, she transforms the shape into familiar objects such as the sun or a face. Lillia's handwriting skills have improved from being able to trace lines to now being able to write her name on her own. Her confidence grew as she began to recognize more letters, and everything began to connect. We are proud of you for never giving up and always giving it your best. Congratulations Lillia!

We are also happy to announce **Wyatt Lubetsky** as our student of the month for April. When Wyatt arrives at school, he is always accompanied by his stuffed animal, George, who loves to give morning hugs to all his teachers. Beyond his kind spirit, Wyatt has shown growth in using his listening skills, but at times still needs a gentle reminder. He eagerly looks forward to being our bell ringer and often motivates himself to stay focused, so he earns the opportunity. He is our little helper and volunteers whenever a job needs to be done, such as helping teachers set up lunchtime. He is a valuable member of our bumblebee family, and we appreciate the small acts of kindness he does for his teachers. Wyatt's enthusiasm is also demonstrated when he sits down for centers. He takes pride in completing his assignments and works hard in practicing his writing and cutting skills. It's a joy to watch you grow and become more independent. Congratulations Wyatt! Keep up the good work!

Ms. Eliana & Ms. Goldy
