Thanksgiving Party

On Wednesday, November 25, we will have a special day to recognize all that we are thankful for. We will celebrate it with a Thanksgiving Day lunch. Teachers will also prepare arts & crafts activities related to the celebration.

Roselyn K --- 11/23

Student of the Month

Congratulations to the recipients of Student of the Month awards in October!

Carter Nakashima
Avery Lubetsky
Avery Cash
Wesley Wakita
Caspian Peterson

Caterpillar 1 Class

Dear Parents,

The children are enjoying spending time together, building friendships and celebrating their individual milestones along the way. We are already halfway through the Fall season and we are so excited for all the fun, joy and special memories the upcoming holidays will bring!

Ms. Shirley, Ms. Nancy & Ms. Flor

Caterpillar 2 Class

Dear Parents,

We had so much fun last month! The kids were so adorable with their costumes and they truly enjoyed every part of the Halloween celebration. The "Trunk or Treat" event was spooktacular! Our heartfelt appreciation goes out to all of you! It was heartwarming to see families come together to make the event extra special and memorable for the children. Thank you for your time, effort, and participation! Let's continue our celebration by embracing the Thanksgiving season! The children will continue exploring their creativity through Thanksgiving-themed arts and crafts while learning "letter C", "number 3", "shape triangle" and "color brown". We would also like to extend a warm welcome to our newest friends in class: Cameron, Eleanor, and Jude! We are so happy to have you as part of our classroom family! We are truly grateful for all our wonderful Carousel families. Thank you for your continued love, support, and partnership. May your Thanksgiving be filled with countless blessings! Happy Thanksgiving to all!

Student of the Month

We would like to congratulate the student of the month Carter Nakashima! We honor him as a sensational citizen because of his positive behavior and character! Carter is so sweet to his friends and teachers. He is our greeter in class and the one who always says bye to his friends. He is friendly, smart, polite, patient, great in sharing and is also silly! He likes circle time & story time, and he pays attention during the entire activity. Carter actively participates in doing the action songs wearing his big smile! He knows his phonics, shapes, colors, can count 1-10 and knows his body parts. He loves to paint too! Carter is a well-behaved boy who listens carefully, follows directions, and there is no dull moment with him! We are so happy to have you in our class! Keep it up Carter! Congratulations!

Ms. Antonia, Ms. Shirley, Ms. Rebecca & Ms. Roxy

Rollie Pollie Class

Dear Rollie Pollie Families,

Hello, November! We are looking forward to a month filled with fun, learning, and little adventures! As Thanksgiving approaches, we will celebrate kindness, practice sharing, and talk about the many things we are thankful for. We also welcome Mia, Carter, Dean, Ilios and Roselyn! We are so grateful to have your little ones as part of our Rollie Pollie family. Let's make November a month filled with smiles, laughter, and wonderful memories! This month, we will explore the following through engaging games, creative crafts, songs, and stories.

Theme: Community and Community Workers

Holidays: Thanksgiving and Veterans Day

Letter: G, H and I

Numbers: 5 and 6

Color: Brown

Shape: Triangle

Self-Help: Puts Hat on/off, washes hands and dries hands

Student of the Month

We are so proud of Avery Lubetsky for being the student of the month! She loves exploring arts and crafts, participating in fun classroom activities, and singing along during circle time. She enjoys helping clean up toys after playtime and is becoming more independent by washing her hands after using the toilet and eating by herself. She is also showing more interest in using the potty and is learning to express her wants and needs. It is wonderful to see her confidence grow as she learns new things every day. Keep shining, Avery!

Ms. Fildres & Ms. Laura

Dragonfly Class

Dear Parents,

We had a wonderful month of October and our Halloween celebration turned out super fun and successful! The children were very creative and had a blast trick or treating with their adorable costumes on. Our highlight for this month is about Thanksgiving and the importance of family, friends and community workers. There will be a lot of dramatic plays and we will continue learning and tracing letters and numbers.

Student of the Month

Congratulations, Avery Cash, on being our Student of Month! Avery is a wonderful student with outstanding academic skills. She actively participates in class, listens attentively, and follows directions very well. She is always excited to listen to stories and completes her work independently with confidence. Avery is also sweet, kind and friendly to all her classmates. We are so proud of you, Avery! Keep shining, learning and doing your best!

Ms. Eva, Ms. Jessica, Ms. Leah & Ms. Letty

Bumblebee Class

Dear Parents,

November is here, and it's time for cozy days and thankful hearts. This month will be filled with love and gratitude as we discuss appreciation in class. The students in our class will take turns sharing what they are thankful for and why. We will also focus on the book "Turkey Trouble" and discuss how Turkey uses his creative thinking to get out of a difficult situation. Our students will then cut and paste their own turkeys and have fun disguising them. Besides going over such an incredible story, we take the opportunity to observe the environmental changes that will happen this month. Our students will be busy collecting leaves and participating in many leaf-themed activities to better understand what "Fall" is all about.

"The turkey is a funny bird, its head goes bobble, bobble. And all he knows is just one word, and that is gobble, gobble!"

Student of the Month

We are happy and excited to announce Wesley Wakita & Caspian Peterson as our November Student of the Month!

Wesley is a cheerful child who enjoys coming to school, especially to see his friends! Every morning, he greets his classmates with a smile, and at the end of the day, he is always ready to give a goodbye hug to anyone who wants one. Wesley is not only a good friend but also a curious learner who loves hands-on activities, like mixing vinegar and baking soda to see what happens. During story time, he likes to join in by sharing his favorite part or talking about what happened in the story. Wesley is a bright student, and we feel lucky to have such an eager learner in our class. Congratulations, Wesley! Keep up the great work!

Caspian is a kind student who is always helpful to his classmates and teachers. For example, he enjoys volunteering, whether it's setting up at lunchtime or gathering mats after naptime. We can always count on him to help keep our learning environment tidy. Caspian's favorite time of the day is when the routine pauses and his playtime begins. Building sand castles and volcanoes with his dump truck is something he looks forward to. He truly cares about each of his classmates and loves to include others in play. Caspian, we are so proud of you for being our best little helper. Congratulations!

Ms. Eliana, Ms. Goldy & Ms. Letty
